## A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who  
Feels That Her Strength Was  
Restored by Cardui.

Floral, Ark.—"I must speak a good  
word for Cardui," writes Mrs. Viola  
Baker, of this place.

"About a month ago I was in very bad  
health. I was so weak and nervous that  
I was not able to do my housework.

"My husband bought me one bottle of  
Cardui, the woman's tonic. I took it ac-  
cording to directions and now I am in  
good health.

"I think Cardui is a fine tonic for weak  
women."

And you are not the only lady who  
thinks so, Mrs. Baker.

Thousands, like you, have written to  
tell of the wonderful benefit Cardui has  
been to them.

Cardui contains no minerals, or other  
powerful drugs. It contains no glycerin  
or other mawkish-tasting ingredients.

It is just a pure, natural extract, of  
natural vegetable herbs, that have been  
found to regulate the womanly functions  
and strengthen the female system.

All druggists sell Cardui.

See yours about it.

N. B.—Write to: Ladies' Advisory Dept., Chas.  
McNicol Co., Chattanooga, Tenn., for special  
instructions, and 64-page book, "Home Treatment  
for Women," sent in plain wrapper, on request.

## Strong Healthy Women

If a woman is strong and healthy in a womanly way, moth-  
erhood means to her but little suffering. The trouble lies  
in the fact that the many women suffer from weakness and  
disease of the distinctly feminine organism and are unfitted  
for motherhood. This can be remedied.

## Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women.  
It acts directly on the delicate and important  
organs concerned in motherhood, making them  
healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the  
period of expectancy and makes baby's advent easy and  
almost painless. It quickens and vitalizes the feminine  
organs, and insures a healthy and robust baby. Thousands of women have  
testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well.  
Honest druggists do not offer substitutes, and urge them upon you as "just  
as good." Accept no secret nostrum in place of this non-secret remedy. It  
contains not a drop of alcohol and not a grain of habit-forming or injurious  
drugs. Is a pure glyceric extract of healing, native American roots.

## Slow-Running BLOOD!

When your blood creeps lazily through your veins you can't feel  
well. Slow-running blood is generally bad blood. The blood runs  
slowly because it is laden with impurities, which, if allowed to re-  
main, will destroy your health. You should heed the warning and

When C. and O. passenger train No. 2 left Cincinnati Wednesday it carried an express car containing a valuable horse and a lot of perishable produce. Near Augusta, the horse grew tired of the monotony and began kicking. The animal literally demolished one end of the car and kicked to bits every bit of the produce in the other end. The car was run onto a siding and the horse transferred to another car. Several hundred dollars loss was sustained by the Adams Express Company.

### HAPPY RESULTS

Have Made Many Maysville Residents Enthusiastic

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being sharp pains through my kidneys, accompanied by a hearing-down feeling across my hips and loins. Dull, miserable headaches were also common and I often became so dizzy that if I did not catch hold of something I would fall. I continued to grow worse, and I was often confined to my bed for a week at a time. No remedy I tried helped me, and I began to have symptoms of dropsy. There was an almost complete retention of the kidney secretions and my body became bloated. I had about despaired of ever being cured. I had read of a person who had been rid of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and obtained so much relief from the use of the first box that I continued taking this remedy until I was entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The case of Dr. B. C. HYDE, at Kansas City, is proving one of the strongest psychological studies on record. It looks like the doctor is one of the arch criminals of history. His coolness and deliberation in his practice and during his trial is marking him as a madman and a monomaniac murderer. The proof that HYDE poisoned Colonel Swore and others, and his diabolical methods of administering poisons and typhoid fever germs to his victims, appears to be no longer circumstantial, but direct and absolute. It now seems that this suave and heartless physician has the wild beast instinct which may pay the penalty in the electric chair or on the gallows.

Mr. J. BARBOUR RUSSELL informs THE LEDGER that the report that the "dollar broom" is in sight is misleading and untrue. He says the prices, 40 to 50 cents each, is about the limit and that the Russell Broom Factory can fill all orders at these prices. Mr. RUSSELL, who manages the M. C. Russell Co., one of the leading wholesale grocery concerns in the State, declares that outside of meats, lard and a few other commodities, prices are no higher, and, in some cases, lower than four years ago. Flour that sold for \$6.50 a barrel four years ago now sells at \$5.75. Canned goods are as cheap as ever. Wages, he says, have more than kept pace with the necessities of life. The boosting of prices is a favorite scheme of the political demagogue and the sensationalist who delight to trade upon the public credulity.

UNGRATEFUL PUPPY!

Father—How dared you kiss my daughter out on the balcony?  
Jack—I don't know—I wondered myself when I saw her afterward by daylight.

**A FACT PROVEN.**

Should Convince Even the Most Skeptical of Its Truth.

If there is the slightest doubt in the mind of any that Dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with the germs became bald in six weeks' time. It must be apparent to any person therefore that the only prevention of baldness is the destruction of the germ—which act is successfully accomplished in one hundred per cent. of cases by the application of Newbro's Herpicide.

Dandruff is caused by the same germ which causes baldness and can be prevented with the same remedy—Newbro's Herpicide.

Accept no substitute. "Destroy the cause you remove the effect."

Sold by leading druggists. Send 10c. In stamps for sample to The Herpicide Co., Detroit, Mich.
